Name of Project/Facility: Driftwood Too Campground

Type of permit application (TWA, NJPDES/SIU): Treatment Works Approval

NJPDES Permit Number (if applicable):

A-1 Consent By Governing Body**

(Consent by the municipality in which the project is located.)

As an authorized representative of the governing body, I hereby certify that the

Dennis Township

(Name of Municipality or Municipal Authority)

consents to the submission of the above listed application to the Department of Environmental Protection for approval. I further certify that the project as proposed conforms with the requirements of all municipal ordinances.

Signed* _____ Date

Type Name and Position

* Cite authorization to sign for the governing body

Resolution# Dated

(Submit the resolution with the application. If no such resolution granting authority to sign exists, the Governing Body's full resolution, consenting to the project, must be submitted with the application.)

** Note

For most Treatment Works Approval (TWA) applications, this section may be omitted if a sewerage entity (for example, sewerage authority, utilities authority, municipal utilities authority, joint meeting, etc.) has responsibility for regulating the construction and operation of wastewater treatment and conveyance facilities within the municipality. In such cases, the governing body consent requirement may be satisfied by completing Section A-2. Applicants for TWAs for industrial/commercial facilities discharging pursuant to NJPDES/DSW or DGW permits must complete section A-1.

A-2 Consent by Sewerage Authority**

As an authorized representative of this agency, I hereby certify that the

_____

(Name of Agency)

consents to the submission of the above listed application to the Department of Environmental Protection for approval. I further certify that the project as proposed conforms with the requirements of this agency.

Type Name and Position _____

*** Cite authorization to sign for the governing body**

Resolution#_____ Dated_____

(Submit the resolution with the application. If no such resolution granting authority to sign exists, the governing body's full resolution, consenting to the project, must be submitted with the application.)

** Note

1. For TWA applications, this section must be completed by the owner/operator of the wastewater conveyance system into which the project named herein will directly connect.
2. For NJPDES/SIU applications, this section must be completed when the owner/operator wastewater conveyance system into which the project named herein will directly connect is different that the entity listed under A-3.

C. Certification by Wastewater Treatment Facility Owner**

(For TWA applications that include a sewer connection/extension.)

I (we) hereby certify that the committed flow* to the**

_____

(Name of Wastewater Treatment Plant)

does not exceed the presently permitted design capacity and with the additional flow proposed by this application, the permitted design capacity is not anticipated to be exceeded. I (we) further certify that the treatment plant is currently complying with its conventional and non-conventional NJPDES permit requirements (see N.J.A.C. 7:14A-22.17(b)-(d), percent removal and toxicity requirements excluded from this certification) as determined by a rolling average of the three most recent monthly discharge monitoring reports that were required to be submitted to the Department as of this date, and based upon my (our) assessment of all information pertinent to this permit request, is anticipated to continue to do so with the additional flow from this project.

Accepted for Treatment by_____

(Name of Treating Authority)

Signed*_____ Date_____

Type Name and Position _____

Name of project and/or location_____

*** Cite authorization to sign for the governing body**

Resolution#_____ Dated_____

(Submit the resolution with the application. If no such resolution granting authority to sign exists, the governing body's full resolution, consenting to the project, must be submitted with the application.)

** For TWA applications, this section must be completed by the owner of the wastewater treatment facility receiving the wastewater identified in this application.

*** For the purposes of this certification, committed flow means the sum of the 1) actual metered flow, 2) flow from DEP approved TWA applications (not yet operational), and 3) flow from locally approved projects that do not require DEP approval.

Additional Information (For TWA Applications)

1. Approvals, permits, service contracts, or other reservations of flow capacity issued or agreed to by any participating municipality or sewerage agency do not constitute the required approval of the DEP.

2. For computation of actual flow at the receiving wastewater treatment plant, the average flow processed by the facility for the three (3) month period immediately preceding the submission of the application shall be used. Pursuant to the NJPDES regulations (N.J.A.C. 7:14A), no application shall be submitted to the DEP if the wastewater treatment facility is not meeting its discharge permit requirements.

Lack of Consent*

1. The affected sewerage authority or municipality must consent to the application or submit comments to the DEP within 60 days of the applicant's request for consent. Prior to the expiration of the 60-day period to respond to a request for a written statement of consent, the municipality or sewerage authority may request a 30-day time extension.

2. Any document issued by a sewerage authority or municipality which is a tentative, preliminary, or conditional approval shall not be considered a statement of consent.

3. When the affected sewerage authority or municipality does not consent to a project, it shall state all reasons for rejection or disapproval in a resolution and send a certified copy of the resolution to the DEP.

4. When the affected sewerage authority or municipality expressly denies a request for a written statement of consent for a project, the permit application may be determined by the DEP to be incomplete for processing; or in the alternative, the DEP may review the reasons for denial. Any such reasons shall be considered by the DEP in determining whether to issue a draft permit in accordance with N.J.A.C. 7:14A-15.6, or a Treatment Works Approval or sewer connection approval in accordance with N.J.A.C. 7:14A-22.

5. When the affected sewerage authority or municipality does not issue a written statement of consent in accordance with (1) above, or a denial in accordance with (3) above, the DEP, upon receipt of proof that the applicant has delivered to the affected agency a written request for a statement of consent, shall review the reasons therefore, if known on the basis of reasonably reliable information. Any such reasons shall be considered by the DEP in determining whether to issue a draft permit in accordance with N.J.A.C. 7:14A-15.6, or a Treatment Works Approval in accordance with N.J.A.C. 7:14A-22. The DEP, may in its discretion, deem the application to be incomplete pending the expiration of the time period set forth in (1) above.

* This section has been excerpted from the NJPDES regulations for guidance purposes only. Please refer to N.J.A.C. 7:14A-22.8(a)3 for the complete requirements concerning statements of consent.

Notice: False statements, representations, or certifications, in any application, record, or document are subject to fines and penalties as set forth in the Water Pollution Control Act (N.J.S.A. 58:10A-10F 2 and 3.

Re: Treatment Works Approval Application No. 12-0211
Driftwood Too Campground – Proposed five On-site Disposal Systems
Dennis Township, Cape May County

Dear Edson Robertson:

This office has received an application package for the aforementioned project; in reviewing the application, we have found that the deficiency, as listed on the attached Part I – Reasons for Denial, will prevent the issuance of a permit at this time. Accordingly, the application is hereby denied without prejudice. If the matter can be resolved within one (1) year of the date of this denial, this application may be reactivated without payment of additional review fees. At the time of such reactivation, a request from the applicant/owner along with a newly executed TWA-1 Form will be required.

Please refer to the attached Part I – Reasons for Denial for an explanation of this denial. Pursuant to N.J.A.C. 7:1C-1.9 et seq., any interested person who consider himself or herself aggrieved by this denial, may request, within ten (10) days of publication of notice of this denial in the DEP Bulletin, a hearing by addressing a written request for such hearing to:

New Jersey Department of Environmental Protection
Office of Legal Affairs
P.O. Box 420, Mail Code 401-04L
Trenton, NJ 08625-0420
Attn.: Adjudicatory Hearing Requests

Such a request must include a completed "Administrative Hearing Request Checklist and Tracking Form for Approvals and Denials" (enclosed). This form is required pursuant to N.J.A.C. 1:1-8.2 as the Department is the transmitting agency to the Office of Administrative Law. If you have any questions concerning this matter, please contact me in writing or by telephone at (609) 984-4429.

APPLICATION DESCRIPTION:
Application to construct and operate the proposed five on-site disposal systems to serve 76 campground sites known as "Driftwood Too Campground," located on Route 83, Lots 1, 23 & 26 in Block 258, Dennis Township, New Jersey.

THIS APPLICATION IS BEING DENIED WITHOUT PREJUDICE BASED UPON THE SPECIAL REASONS LISTED ON THE ATTACHED PAGE(S).

According to the plans entitled:
"Septic Plans for Block 258, Lots 1, 23 & 26, Township of Dennis, Cape May County, New Jersey," six sheets, prepared by EDA Associates, Inc. last revised July 2012.

and according to the specifications entitled:
"Construction Specifications for Proposed Sewage Disposal System -- Driftwood Too, Township of Dennis, Cape May County, New Jersey," prepared by EDA Associates, Inc. dated July 2011.

Shadab Ahmad, P.E.

DENIED by the Department of Environmental Protection

Gautam R. Patel, Chief
Bureau of Construction and Connection Permits

PART I

REASONS FOR DENIAL

A. Specific Reasons for Denial

1. A treatment works approval from this office cannot be issued for the proposed project until a NJPDES Permit (Discharge to Groundwater) for this facility is obtained from the Department's Bureau of Nonpoint Pollution Control (BNPC).
   You may contact the BNPC by calling at (609) 933-1021 for further information.

B. Custom Requirement

1. The proposed on-site disposal systems to serve campground sites are not in technical conformance with our rules and regulations at N.J.A.C. 7:9A-1 et seq. and N.J.A.C. 7:14A-23 et seq.

   Based upon the preliminary review of the project, the folllowing information must be submitted when reactivating this application:

   (a) Site plan showing the proposed camp sites.
   (b) Design engineer's report to include details of each on-site disposal system as required pursuant to N.J.A.C. 7:9A - Subchapter 9 and 10..
   (c) Plans and profiles of the gravity sewer system and force mains.
   (d) Details of pump station with dosing tank, dosing volume and required levels, distribution box and lateral piping to disposal bed. Each proposed disposal bed plan and section views shall be enlarged properly showing details of distribution box, piping, bed size (area), etc.
   (e) Revise engineering cost estimate and submit additional fees (if required), since several itmes are not included in the estimate. The costs estimate shall include all items related to construction of the proposed project.

   (f) Revise construction specifications to include specification related to the sewer piping & materials.
   (g) Since project site is located in the Pineland's Regional Growth area, submit a copy of certificate of filing or an approval (if required) from the Pinelands Commission.
   (h) Submit a proof of request for a Consent by governing body (by the Dennis Township).
   If the Township do not want to endorse the project, submit an updated resolution adopted by the Township, since resoultion submitted was adopted in 1994.

   If the above matter can be resolved within one year of the date of the denial, you may reactivate the application without the payment of additional review fees. At the time the above items are resolved, please submit a request for reactivation, an updated TWA-1 form and all other information which addresses the deficiencies noted.
