**Re: Cape May County Animal Shelter;
Shared Services Agreement**

Dear Ms. Justice:

As you are aware, the current Shared Services Agreement between the County of Cape May and the Township of Dennis relating to the Cape May County Animal Shelter is expiring.

The County Treasurer has prepared the attached statement of costs based on anticipated actual Shelter usage for a five-year renewal of the Agreement. With the assistance of Shelter Manager Judy Davies-Dunhour, I have prepared the attached renewal Agreement for an additional five-year term.

I would ask that you please review these matters with your governing body and, if acceptable, please take action to authorize the renewal of the Shelter Agreement. Please return a copy of your governing body's resolution authorizing the renewal as well as an executed copy of the Shared Services Agreement to me at your earliest convenience. It is the County's hope that all re-authorizing resolutions might be back from our municipal partners by mid-January so that the Freeholder Board may adopt its resolution authorizing the renewal at its meeting of January 26, 2016.

Should you have any questions or concerns with regard to these matters, please do not hesitate to contact me, Shelter Manager Judy Davies-Dunhour at (609) 465-8941 or County Treasurer Francine Springer at (609) 465-1181.

Thank you for your continued partnership in the Cape May County Animal Shelter.

Very truly yours,

James B. Arsenault, Jr.
County Counsel

Subject: Bill Governor signed

Good Afternoon Everyone,

In case you haven't had time to read your league bulletins, below is a bill the Governor passed! This is great news for all of us. Will save us time and money.

P.L. 2015, c. 207, permits transmittal of certain land use documents via e-mail. The law permits notice by e-mail, with a delivery confirmation, of some documents required to be provided under the Municipal Land Use Law. This option would apply to the notice to the municipal clerk of an adjoining municipality of all hearings on the adoption, revision or amendment of a development regulation involving property situated within 200 feet of the adjoining municipality, and to the county planning board of all hearings on the adoption, revision or amendment of any development regulation and the adoption, revision or amendment of the municipal capital improvement program or municipal official map. Proof that an e-mail was sent to the correct e-mail address within the required time frame will constitute a rebuttable presumption of confirmation that the e-mail was delivered. The League supported, as amended, P.L. 2015, c. 207, which took effect on January 11, 2016.

Have a great day all!

Mandatory Training Courses (State Required)

In accordance with State Law, within 18 months of appointment, all members of Planning Boards and Zoning Boards of Adjustment must participate in five hours of mandatory training. All such programs on this agenda are designed according to the standards published by the NJ Department of Community Affairs in the NJ Register, Monday, July 17, 2006 (CITE 38 N.J.R. 3019), Vol. 38, #14, N.J.A.C. 5:87. The curriculum in each session, course outlines and instructors' credentials were submitted to the Department of Community Affairs to ensure that attendees at these training sessions will fulfill mandatory training obligations. Certificates of completion are issued by DCA following successful completion of the five-hour program and a test. NJPO was certified as a training organization for these programs in 2006.

Experienced Members Previously Certified
