The Cape May County Surf Casters will be hosting their second annual Veterans & First Responders Striper Rodeo in May 20th 2017. from 7:00am till 3:30 pm on the 5th avenue beach in North Wildwood NJ

Volunteers in trucks will take those planning to fish to an area of North Wildwoods beach and set them up with rods, sand spikes, rigs, and bait.They will remain to assist in any way necessary. Our spring striper run is usually quite productive this time of the year and affords veterans and first responders participating in this event the opportunity to land a sizable striped bass and other fish.

This event is free to veterans and first responders. We are looking for donations to help make this event worthy of the sacrifice these individuals give, and have given, over the years. If you are interested in participating, or making a donation, please let up know.
