Prescription Drug Card

Free Prescription Drug Card

The Cape May County Department of Health is launching a free prescription drug card for county residents. Any resident of Cape May County can use the Cape May County Rx Card and save up to 75% on prescription medications. The Cape May County Rx Card is available to all Cape May County residents, regardless of income, age, or insurance status.

No Application Process

There is no application to complete and there are no claim forms to file. Simply show your Cape May County Rx Card at a participating pharmacy to receive the discount. The Cape May County Rx Card was launched to help uninsured and under-insured residents of the county afford their prescription medications. However, the program can also be used by people who have health insurance coverage with no prescription benefits, which is common in many health plans. Additionally, people who have prescription coverage can use this program for non-formulary or non-covered drugs.

Additional Savings Opportunities

In addition to savings on prescription drugs, the Cape May County Rx Card also offers savings on eyeglasses, nutritional supplements, diabetic supplies, Lasik surgery, hearing aids, and teeth whitening.

Where to Get a Card

The Cape May County Rx Card is available at the Department of Health, located at 6 Moore Road, Cape May Court House 08210. Cape May County residents can also [download a free card on this website](#).
