### Section 142-15. No Knock List

All residents of the Township may register their name, address/or unit/apartment number with the Township Clerk to be placed on the "No Knock List," indicating that they do not want persons so registered to approach their homes and/or seek personal contact with the occupants of the registered home. It shall be unlawful for any peddler, panhandler, or solicitor to approach and/or seek personal contact with the occupants there if that residence is registered on the "No Knock List."

The notice shall indicate which solicitors may contact residents and shall read substantially as follows:

"These premises are listed on the Township of Dennis' no-knock registry (Township Code §142-15) You may not enter or attempt to enter these premises for the purposes of canvassing or soliciting, which includes offering to purchase real estate on behalf of any person or organization. Charitable, political and religious organizations are exempt from this law. Violation of Township of Dennis Code §142-15 may result in a fine of up to \$1,000.00 and/or up to 14 days of community service."

I am requesting registration of the following address upon Dennis Township's "No Knock" Registry.

I am the (check appropriate):  Owner  Tenant occupant of the premises

I understand that my address shall be placed upon a list to be kept by the Township Clerk. The list will be provided to any licensee who is issued a license to conduct door-to-door sales pursuant to Dennis Township Code §142-15. I understand that registration upon the "No Knock List" does not prohibit door-to-door solicitation by non-profit charitable, religious or political organizations, and I will display a "No Knock" sticker prominently at the entrance to my premises.
